

RENATO MORETTO

– Short Biography –

Renato Moretto was born in Noale (VE) on November the 12th 1953. He lives in Massanzago (PD). He is married and has three children, respectively 21, 28 and 29 years old. The 2 oldest children, Silvia and Angelo, support the father in the managing of the company activities.

In 1970 he started his professional career, working in a plastic company, where he consolidated his technical education with a thorough apprenticeship.

In 1980 he established a company operating in the field of carpentry, very soon adapted to the production of devices for the treatment of plastic materials. The company had one single employee.

In September 1987 he began to produce with the trademark Moretto P.A. The company had then 20 employees.

He is today chairman of MORETTO S.p.A., among the first five most important companies specialized in the development and production of machines for the treatment of plastic materials.

As a young and dynamic company – the average age is 33 – MORETTO S.p.A. makes of the Research activity its strong point and Renato Moretto personally participates in the invention and development of new projects.

In his free time, he loves trekking and as a hobby he practices ancient shipsmodelling besides cultivating his passion for poetry and writing in the dialect of Veneto.
